

Summer Food Service Program to Provide Free Summer Meals to Low-Income Children

CLEVELAND, OH – The City of Cleveland child poverty rate is one of the highest in the U.S. In addition, only a small fraction of the children that receive meals during the school year are served in the summer. This summer, the Greater Cleveland Food Bank and Cleveland Metropolitan School District (CMSD) are working to expand summer food service program offerings.

CMSD is offering free nutritious meals at 13 schools and the Food Bank will operate 109 additional summer meal sites throughout the community. This summer, approximately 7,000 meals per week will be prepared in the Greater Cleveland Food Bank's kitchen and distributed through the summer food service program. To find a summer meal site near you, see the list below, call the Food Bank's Help Center at 216-738-7239 or text "FOOD" to 877-877.
