

Volunteer Assignment Profile

Photography/Videography

Communications Department

Greater Cleveland
Food Bank

Summary: The Photography/Videography Volunteer will support the Food Bank's communications team by providing assistance with photography, video shooting and editing. This volunteer will be able to perform duties remotely using their own technology. Assistance is needed for a large multimedia project capturing and editing photos and videos of 40 different people associated with the Food Bank for the 40 Faces of the Food Bank Campaign.

Background: Candidates may have experience in photography, video shooting, and editing.

Preferred Traits and Skills

- Ability to learn the Food Bank's brand and mission and effectively communicate it through video/images
- Experience in creating video
- Experience in photography and photo retouching
- Ability to learn new technical skills
- Ability to work independently and with deadlines

Key Functions:

- Create videos and edit photos for the Food Bank
- Capture and edit photos of people associated with the Food Bank

Support: Food Bank communications staff will be available to assist in filming, recording, and taking photos. In some cases, volunteers may be able to use Food Bank systems and software to complete projects. Project training is available from Food Bank staff.

Attire: Attire is business casual or every day.

Outcomes: A Photography/Videography Volunteer will derive satisfaction by greatly impacting the digital and print communications and by contributing to the success and mission of the Greater Cleveland Food Bank. In addition, a Photography/Videography will gain experience useful in videography, photography, and editing. A service letter will be provided on request.
