

# CORPORATE WAYS TO GIVE

# HARVEST FOR HUNGER

## HOST A CORPORATE DRIVE

Engage your team and support your community through a food and funds drive. This is an easy way to unite your team around an important cause.

1

### REGISTER

Visit our coordinator hub to register your drive, submit materials, requests, speaking engagements, and find drive inspiration! [GreaterClevelandFoodBank.org/HFCoordinator](http://GreaterClevelandFoodBank.org/HFCoordinator).

### SET UP A VIRTUAL FOOD DRIVE

Set up a VFD to collect cashless donations online. Once set up, our team will provide a custom URL/materials to promote your VFD page. <https://GreaterClevelandFoodBank.org/VFD>

2

### COLLECT & COMPETE!

Promote your drive and start collecting donations. Host events, create competition, and share inspiration to motivate gifts. Set a goal for 100% participation among teams and departments.

3

### SHARE PROGRESS

Track your progress and share activities on social media. Regular progress reports help keep your goal on track and can motivate giving. Include stats and data about the Food Bank and local hunger stats found on our website.

A gift-matching employee donation helps drive teams towards a shared goal. Work with leadership to pledge a gift to match employee contributions to inspire giving. To learn more, contact Hillary Butler at [hbutler@clevelandfoodbank.org](mailto:hbutler@clevelandfoodbank.org).

### SPONSOR MARKET AT THE FOOD BANK

### VOLUNTEER

Make a direct connection to our mission. Corporate volunteering bridges organizational divisions, improves health and well-being, and unites everyone to a cause.
