## **Greater Cleveland Food Bank Launches Summer Meals Program For All**

*There are 110 partner sites across six counties offering free breakfast and lunch for children under 18*

CLEVELAND – Summer can be a difficult time for children who rely on school meals to supplement their nutrition. The need continues to remain high and in the latest Map the Meal Gap data provided by Feeding America, 1 in 4 children in the Greater Cleveland Food Bank’s service area are food insecure. As part of the response to the increased need throughout the summer months, the Greater Cleveland Food Bank is pleased to launch its annual Summer Meals Program, beginning June 2, 2025. The Food Bank will provide healthy meals to 110 sites across its six county service area. Additionally, the Food Bank will be partnering with Children’s Hunger Alliance to provide healthy meals to children at 27 locations.

During the summer months, the Greater Cleveland Food Bank delivers daily nutritious breakfasts and lunches to 110 partner sites that serve the meals to children when school is not in session. Sites include schools, camps, parks, community centers, churches, and other locations where children gather in the summer.

Many of the children that participate in the Summer Meals Program are the same children who rely on the school breakfast and lunch programs during the school year.

Healthy meals will be provided to all children without charge and are the same for all children regardless of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity and there will be no discrimination in the course of the meal service. Meal times and locations may change. To find the site closest to you, please call 216.738.7239, or visit [www.GreaterClevelandFoodBank.org/SummerMeals](http://www.GreaterClevelandFoodBank.org/SummerMeals). Meals will be provided at the sites and times as follows:
