FOR IMMEDIATE RELEASE

## **Greater Cleveland Food Bank Announces Staff Leadership of New Community Resource Center**

*Tiffany Scruggs Promoted to Vice President of Community Access and Executive  
Director of the Community Resource Center*

CLEVELAND – The Greater Cleveland Food Bank is pleased to announce that Tiffany Scruggs, former Vice President of Client Services, has been promoted to Vice President of Community Access and Executive Director of the newly remodeled Community Resource Center.

The new Community Resource Center, located at 15500 S. Waterloo Rd. and opening this fall, will serve as a one-stop shop for community members to access a healthy choice food pantry and connect with over a dozen social service partners all under one roof.

Scruggs brings 20 years of experience in the nonprofit sector connecting families to community resources. “Her positive energy and optimism are contagious,” Jessica Morgan, Chief Programs Officer. “Tiffany understands the needs of our community and keeps our neighbors at the forefront when making decisions.”

Prior to coming the Food Bank, Scruggs spent 12 years building community coalitions and creating community wraparound approaches focused on widening access to critical services to families who reside in the Slavic Village Community and connecting nonprofit organizations to address needs of the community.

“Tiffany challenges us to think differently about how we serve our neighbors,” said Kristin Warzocha, President and CEO. “I am excited for Tiff to lead the important initiatives of our Community Resource Center. She leads with passion and heart and I’m honored to work with her in this new role.”

Scruggs will continue to oversee both the Outreach and Help Center teams and will lead efforts to connect individuals to apply for SNAP, public benefits, and other valuable resources. Her history and personal experience of hunger motivates her to help people beyond just access to emergency food.

“I am dedicated and passionate about this opportunity to continue to serve the community,” Scruggs said. “I am committed to addressing the root causes of hunger, such as housing, healthcare, and unemployment/underemployment, and I am excited to soon provide the services of the Community Resource Center to our neighbors throughout the community.”

Scruggs serves as President of the board of Family Connections where she guides the organization to promote kindergarten readiness and family support to its program participants. She has a Master’s Degree in Nonprofit Management and Leadership from Cleveland State University and Bachelors of Arts Degree in Social Work from the University of Toledo.

Scruggs was selected as Crain's Cleveland Business 40 Under 40 class of 2019. She is a recent alum of the Cleveland Leadership Center's Bridge Builders Program Class of 2021, where she now serves as an ex-officio Board Member helping to recruit diverse, cross-sector leaders and help retain talented individuals to her hometown, Cleveland, Ohio. Most importantly, she loves spending time with her two children and her husband, and is a proud resident of Cleveland Heights for over 16 years!
