HUNGER DOESN’T TAKE A BREAK when school is out for summer

1/5 KIDS

More than 97,000 kids in the Greater Cleveland Food Bank service area - or one in five kids - are food insecure.

In the past school year, more than 182,000 kids in our area was eligible for free or reduced price school meals.

This year, the Food Bank will have more than 60 Summer Feeding sites to reach kids who are at risk of not having a lunch during the summer months.
